Good morning everyone,

I have set up this call to occur for the next week. It will happen at the same time every day – including over the upcoming weekend. We may be in a position to drop these at some point – but we can arrive at that decision next week. Since there are potential impacts to three regions I have included 6,8 and 9.

Here is the call-in information for the calls:

**Number:**  
**Code:** **Nonresponsive Conference Code**

Thanks.
